

Getting Started with NuCalm

Step 1: Choose Your Plan

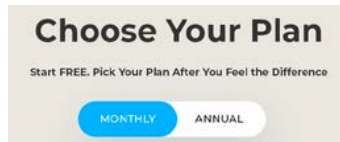

Go to landing page and click “Choose my Plan”

Step 2: Select Billing Option

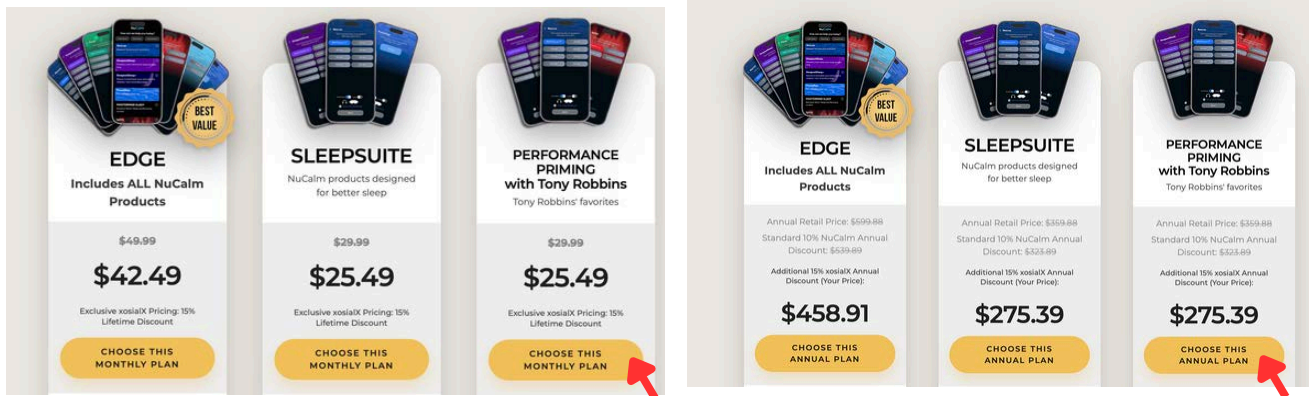

Choose Between:

- **Monthly** (lower upfront cost)
- **Annual** (deeper discount)

Step 3: Select Your Plan

Click “**CHOOSE**” on the plan that fits your needs.

Step 4: Create Your xosialX Account

- Enter your account information
- Create your **xosialX password** (this is not your NuCalm app password)

Important:

You will receive a **separate email from NuCalm** to create your app password.

Click “**Submit Info**” when complete.

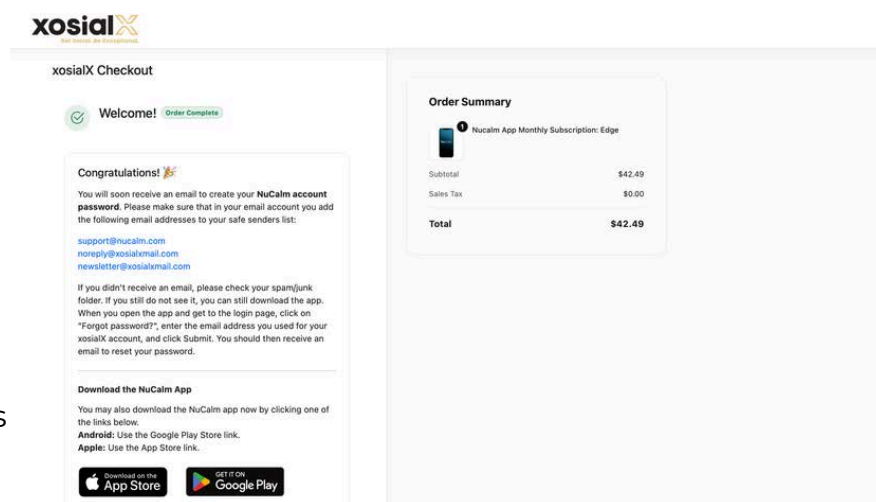

Step 5: Confirmation

Congratulations!

You are just minutes away from enjoying some incredible life-changing experiences with the NuCalm app.

Here's what will happen next:

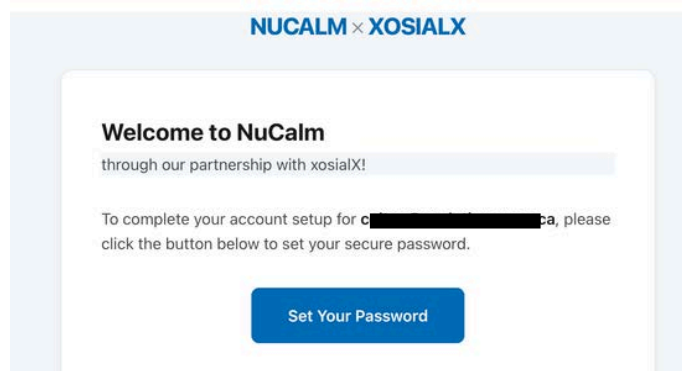

You will receive an email to create your NuCalm app password, so that you can access your NuCalm app.

Step 6: Check Your Email

You will Receive:

Look for an email from NuCalm to set up your password so that you can access your NuCalm app. Make sure to use the same email address you used for your xosialX account. (See NuCalm email below to set up your password)

Step 7: Download the NuCalm App

For iPhones go to
the App Store
Click Here

For Android phones go
to the Google Play Store
Click here

Step 8: Log Into the App

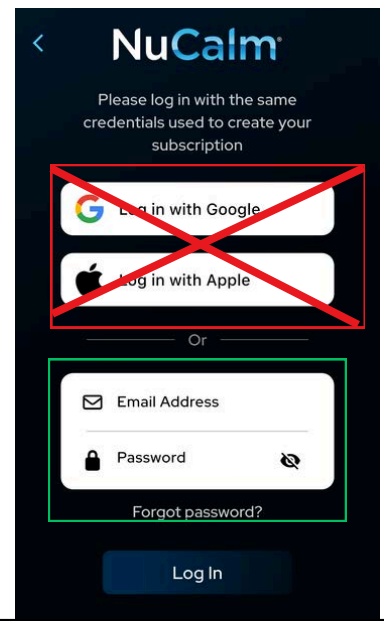

- Use the same email address you signed up with
- Enter the password you created from the NuCalm email

⚠ Do NOT use:

- “Sign in with Google”
- “Sign in with Apple”

If you didn't receive the email:

→ Click “Forgot Password” in the app

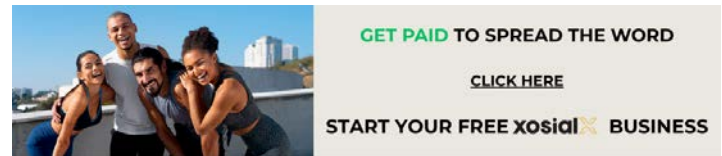

Step 9: Upgrade to Associate (Optional- FREE)

Want to get paid to share?

1. Log into your account:
2. 🖱 www.xosialx.com/login
3. Click the banner to Become an Associate

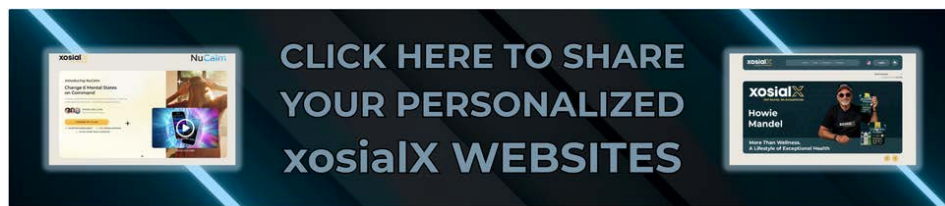

📌 If you don't see the banner:

- Refresh the page
- Wait a few minutes and check again

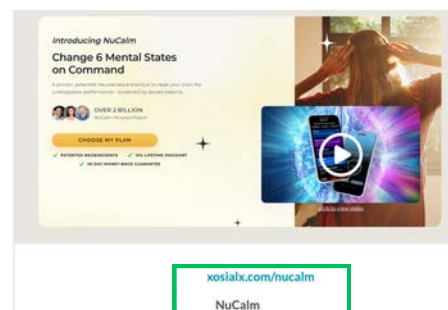

Step 10: Access Your Share Links

CLICK HERE TO SHARE YOUR PERSONALIZED XOSIALX WEBSITES

Step 11: Share NuCalm

- Copy your **NuCalm Link**
- Share with others who want to try it

You're All Set!

Welcome to NuCalm

Get ready to experience better **sleep, focus, and recovery** in minutes.
