

# RAPID RANK BONUS

Before July 1, 2024, to earn the 2K Rapid Rank Bonus of \$200, you had to achieve the Rank of 2K Executive Manager within your first 30 days of creating your account. Additionally, to earn the 5K Rapid Rank Bonuses of \$500, you had to achieve the Rank of 5K Executive Manager within your first 60 days of creating your account.

Effective July 1, 2024, the 2K and 5K Rapid Rank 30 and 60 day time periods begin when you become an Associate for the first time. This means that the Rapid Rank time period begins when a new member becomes a CTFO Associate, and not when they create their account or purchase products for the first time.

***Note: Anyone who is currently a Customer and has never been an Associate is eligible to earn these Rapid Rank bonuses but must first become an Associate to become eligible to build a CTFO business.***
